

Hello!

I hope you are having a wonderful summer. I just got back from Boston. I had a great time visiting some of my family, including my 2 nephews. Henry is 4 1/2 and Edward is 2 1/2. They make me laugh all the time! Have you taken any vacations this summer? In my free time here, I have been spending much of my time outside. I also have been reading some really good books.

On the first day of school, please bring a copy of your favorite book. I will bring my favorite book also.

This school year is going to be an exciting one. Besides learning many new things, you will be making many new friends.

I am looking forward to this school year and getting to know you really well.

From your teacher,
Miss Aronow
