### EVERY CHILD CAN RIDE

*Bicycles made possible through grant funding from the GEF*

Dear **First** and **Second** Grade Lyon Parents,

We are looking forward to all our **first** and **second** grade students participating in our Spring Bicycle Training and Safety Unit during their Physical Education classes at Lyon School. This unit is scheduled to start the week of **April 4th**.

For safety purposes, all students will be required to wear a helmet. Students should bring their own helmet from home. (Make sure to put names on the helmet!) We will have a very limited amount of helmets available to borrow at school.

Sign up to volunteer your time during our unit at <https://signup.com/client/invitation/6775657374/1824605/false#!1824605/false/false>. A variety of time are available throughout the day during our unit. We are looking for volunteers to begin on Tuesday, April 11 and continue for 6 days.

### ART @ LYON

LYON 1st & 2nd Grade Parents:

Your child has photographed and uploaded a few of their finished artworks onto a digital art platform called Artsonia. Artsonia is a nationwide digital art gallery. It provides you with the ability to keep your child's work forever as well as share it with friends and relatives. It will provide your student with a way to view their growth over time, which is invaluable in their development of critical thinking skills. At conferences you received your child's personal access code. You will need to login to Artsonia.com with your child's personal access code to view the work. If you have misplaced that code please don't hesitate to email Mrs. Tapia in the Lyon artroom. She would be happy to send your child's personal code to you in an email.
